

82-70 PINSPOTTER PARTS

WHEN YOU BUY GENUINE AMF 82-70 PARTS, YOU CAN BE 100% CERTAIN ABOUT EVERYTHING.

Choosing Genuine AMF 82-70 replacement parts is choosing certainty over uncertainty.

- You can be certain we manufacture 82-70 parts to original OEM quality
 - Genuine AMF parts are always compatible and always durable.
- You can be certain we have every 82-70 part you might need
 - And that we'll have the part every time.
- You can be certain we'll fill your order – With a fill rate of 98%, we're the industry leader.
- With our 100% money back guarantee, you can be certain of satisfaction
 - We stand behind our parts – and you.

AMF Carpet Belts have been the proven leaders for more than 50 years. All of our carpets resist lane oil penetration, resist stretching and resist fraying. We offer three high quality belts at three price points to meet every center's budget.

BLACK CARPET BELT

It's the expert carpet belt for your pinspotters. As the standard carpet belt on all our new pinspotters, the new Black Belt is very consistent. With a tight inside dimension tolerance, the Black Belt maintains flexible contact over the pit carpet rollers for a longer period of time, which eliminates ball idling issues. Even with today's aggressive lane oils, the Black Belt stays soft and flexible without stretching. Field tested for four years, our Black Belt is easy to install, starts up easier, and resists lane oils. The Black Belt comes with a one year warranty.

Order part # 088 500 505BX

PUMPKIN CARPET BELT

The Pumpkin is the standard of the industry. It has a mechanically and chemically stitched splice that resists de-lamination and curling. This belt provides longer life and superior oil resistance to mandrel built belts, and is preconditioned for easier installation, and reduced break-in time. It also comes with a two-year warranty.

82-70 REAR ROLLER REPAIR KIT

Includes:

- Stub shaft
- Ball bearing for stub shaft end
- New ball bearing for opposite end (#000024590)
- 3/16" x 1" steel roll pin
- 0.185" drill bit

Product Code 612070014

SPECIAL TOOLS - PIT & CUSHION

784003000	Rivet Installation/Handle Tool
792502002	Carpet Flat Tool
792018020	Magnetic Pick-Up Tool
792501001	Carpet Removal Pin
792505005	Spring Puller

VELCRO CUSHION COVER

Cover material with stiched male "hook" velcro (first time installation requires Velcro purchase)

Product Code 070011840

Mounting die cut female "loop" velcro for RH cushion (Odd machine)

Product Code 070011841

Mounting die cut female "loop" velcro for LH cushion (Even machine)

Product Code 070011842

- Reinforced "carpet belt" type material with a low friction "brushed" surface exposed for ball contact.
- Two strips of male "hook" Velcro are double stitched to the material with high strength, heavy polyester cord.
- Female "looped" Velcro is die cut to fit exactly like any other cushion cover. It is held in place with 16 rivets.
- Once installed, all rivet heads are protected from any ball contact. This means:
 - NO rivet head wear
 - NO balls sticking to rivet heads
 - NO marking from rivet heads
 - NO more rivet problems
- Outside material is simply pressed on. Each time the ball hits the cushion, the material is pressed on that much harder.
- When it is time to change the cover, simply peel it off and stick on a new cover.
- Eliminates down time and cushion maintenance resulting from installing new rivets and pads every time a cushion cover is worn out.
- Outside cover with stitched on Velcro is universal.
- Presents a truly smooth, flat, non-marking surface for the ball to contact with no rivet heads exposed.

YOKE & SPOTTING CUP ASSEMBLY

ITEM	PART NUMBER	DESCRIPTION
